Re: DCCA Resolution on 17th Street

At the DCCA membership meeting on November 1, 2021, the following resolution was moved and seconded by members from the floor and passed by a 2/3 vote of the members present at the meeting.

WHEREAS 17th Street between Massachusetts Avenue NW and S St NW is the heart of our East Dupont neighborhood;

WHEREAS 17th Street between Massachusetts Avenue NW and S St NW has a unique pedestrian and retail friendly nature with many restaurants, streateries, a valued hardware store, pharmacies and the major grocery store in the neighborhood;

WHEREAS Dupont Circle Citizens Association (DCCA) is concerned that the newly installed counterflow protected bike lane on 17th Street between Massachusetts Avenue NW and S St NW is hurting local businesses, making parking and deliveries difficult and adversely affecting the safety of pedestrians including vulnerable pedestrians such as elderly and disabled individuals;

BE it resolved, that DCCA hereby requests that DC Department of Transportation (DDOT) remove the newly installed counterflow protected bike lane on 17th Street between Massachusetts Avenue NW and S St NW.

BE it further resolved, that a copy of this motion be sent to the Mayor and members of the Council.

Sincerely,
